

## Help Haiti Now

The entire NAACP family is deeply saddened by the devastation in Haiti, and our thoughts and prayers go out to the families and those affected by this tragedy. The NAACP is asking our members and supporters to do whatever they can to assist those who have lost their homes, their livelihoods, and their loved ones. In the weeks ahead, we will bring you a number of opportunities to get involved in relief efforts in your communities.

Today, the need for aid is crucial, and we ask that you make an emergency donation through the NAACP for Haiti Fund or through your local NAACP Branch.

---

The NAACP is working directly with our partner organizations on the ground, and donations made to the NAACP for Haiti fund will go to support the effort to bring food, water, shelter, and medical services to the people of Haiti.

The Liberty County Branch NAACP and the Georgia State Conference NAACP will accept your monetary donations. Contact Valerie Singletary at 369-4137 or Joe Ford at 977-1077.

Make Checks payable to NAACP and in the memo section put "Haiti Relief." A receipt will be provided for your donations.
